US10B  
US26D

Gauge:  
See Sizing Chart Options

H Height:  
See Sizing Chart Options

Knuckles:  
3

Material:  
Steel with Steel Components

Notes:  
For use on 1-3/4" (45 mm) thick doors.  
Hager does not recommend using spring hinges on doors over 7'0".  
For maximum versatility use all spring hinges or a combination of spring hinges and ball bearing hinges. Do not use plain bearing hinges. Strong wind conditions, drafts, carpeting drag, twisted/misaligned frames, or weatherstripping on doors may require additional spring hinges. Full spring tension may not be required on all hinges.
