USP
US3
US4
US10B
US26D

Gauge:
See Sizing Chart Options

H Height:
See Sizing Chart Options

Knuckles:
3

Material:
Steel with Steel Components

Notes:
For use on 1-3/4" (45 mm) thick doors.
Hager does not recommend using spring hinges on doors over 7'0".
For maximum versatility use all spring hinges or a combination of spring hinges and ball bearing hinges. Do not use plain bearing hinges. Strong wind conditions, drafts, carpeting drag, twisted/misaligned frames, or weatherstripping on doors may require additional spring hinge. Full spring tension may not be required on all hinges.
