

# SK-005 SERIES

## N Series Sample & Service Kit

### GENERAL FEATURES

The SK-005 contains a sampling of our N Series cabinet locks and accessories. The kit comes in its own plastic, 2 level case with parts marked and separated by dividers. The top section provides additional room for extra locks and accessories.

Two level carrying case featuring our most popular parts and accessories.

Top level - empty space for additional locks, parts and accessories

Lock samples
