Handing Information

For Single Privacy and Key Locks.

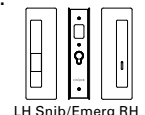

(Passage & Bi-Parting sets are not handed)

Stand in the middle of the doorway looking into the pocket:

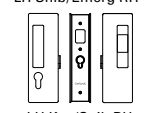

Determine which side you would like the snib or key on.

Example 1: If the restroom was on your left shoulder you would want LH Snib/RH Emergency

LH Snib/Emerg RH

Example 2: If the office was on your right shoulder you would want LH Key/RH Snib
